

December News From Mrs. Wilson

Dear Families,

The Advent Season is here and the Diocesan theme is Awaiting the Good News. During this busy time of year it is so important to reflect on the fact that the greatest gift ever given was Jesus, God's son. Advent is such a wonderful opportunity for renewal of spirit and joy for all of us. I walk the halls of Rome Catholic daily and experience the joy and spirit of your children and I am grateful for the feeling of renewal I find with them. I wish you and your families the most blessed Advent season and a very Merry Christmas.

We are hard at work in our classrooms daily during this exciting time. We also have many special events listed below so that you have the opportunity to plan appropriately.
