Home Learning Resources

Please be sure to check See Saw daily for updates and new activities to do with your child!

Activities:

- Read *Chicka Chicka Boom Boom* by Bill Martin, Jr. and John Archambault and have your child find the letters of their name and/or all of their alphabet letters.
- Look for letters and numbers around your home by playing "I SPY."
- Use some recycled materials to build or create something! I'd love to see your creations by sending me a picture through See Saw!
- We are learning about moving and things that move so students could move cars through paint on paper.
- PLAY!!
 - Build and Create with blocks, Legos, magnetic blocks
 - Puzzles and Games that you have at home.
 - READ, READ, READ! Any stories that your children enjoy!
 - Have them use their Imagination by playing "pretend"- house, store, vet, anything they can think of!
 - Use playdoh to create and make the letters of their name.
