Number Identification At-Home Intervention Activity

An Easy How-To for Parents that Want Their Kids to Know-How

Materials:

- 1-20 number cards- cut apart (found in this bag)
- Direction sheet

Number Identification Flash Card Directions

1. Shuffle the number cards so the numbers are out of order.
2. Show your child the number card. Say, "What number?"
 - If your child responds correctly, then say: "Yes, (number)." Move on to the next card.
 - If your child responds incorrectly, then say: "No. This is a (number). What number is this? Yes, (number)."
3. Continue the same process until you have practiced all of the cards.

***Do this activity every night!!!! Make sure to follow the directions exactly. It is important to have your child say the correct answer before moving on.**
