## Celebrating our School

Catholic Schools Week is a time to celebrate all that  
we do here at Rome Catholic. It is a time to appreciate  
the hard work that we all contribute to be the best that  
we can be for our students.

Our faculty and staff, parents, parishes, and the  
students themselves are all part of the family that help  
each student reach their fullest potential. I am so  
proud of all we have accomplished this year and I  
invite you to come celebrate with us.

To the left you will see the schedule of events. **Yellow  
highlighted** items are ones which we invite you to  
attend with your child.

Open house is an opportunity to introduce yourself to  
all of the faculty and staff, and to see individual art  
pieces the students have created to show why they  
love Rome Catholic.

K-6 families stop in the gym to pick up your re-  
application packets. We will have financial aid  
incentives there as well!

Be sure to stop in and enjoy the fresh, homemade  
breakfast in the cafeteria. Tickets are available for  
purchase when you arrive.

The Book Fair is open all week and is located in the  
gym. Books are an investment you will never regret.

Remember that Financial Aid forms must be  
completed online by February 15<sup>th</sup>.

Please be sure to read our first installment of our  
**Healthy Corner with Mrs. Mimassi.** →

And to see the **National Day of Giving**. Many Gifts,  
One Nation!

Blessings,

Mrs. Wilson

## *Rome Catholic's Healthy Corner with Mrs. Mimassi!*

As parents and guardians of today's youth we are faced with numerous challenges when it comes to making healthy choices and decisions for our children; time constraints with busy schedules along with financial obligations can be a struggle. Yet as we welcome in a new year let's take a "WHOLE" new approach for 2019.

W - working  
H - health  
O - on  
L - lifestyle  
E - examples

When, we, as role models for our youth, make healthy choices, young people often follow our own lifestyle example.

Let's pledge to bring "WHOLE" foods on the forefront of our daily diet; trying to eliminate foods that are altered, processed or pre-packaged for main meals and work to introduce additional "whole foods" daily.

The substitution and adjustments made will in turn allow our bodies (Christian vessels) to absorb optimal nourishment... So, let's feed our kids in a "WHOLE" new approach in 2019.

**Many Gifts, One Nation**  
*A Day of Giving to Catholic Schools*

**Give back to your  
local Catholic school!**  
**January 29-30, 2019**
