Financial aid letters will be coming home shortly. Please review your awards and if you are still in need, please do not hesitate to contact me at school. We are eager to do all we can to help make tuition affordable for your family.

Prekindergarten Update:

We are waiting for Rome City School District to confirm those students who have been placed in UPK classrooms at our school. When they have done so, they will present us with our list of students, and we will send out applications. Thank you for your continued patience with the process.

School Field Days/Picnic:

Join us Friday, June 14th at the new school location, 800 Cypress Street for our end of the year picnic. All students and guests bring their own bagged lunch, no glass please. There will be bouncy houses, outdoor activities such as sidewalk chalk and bubbles, and organized track events for K-6 students. Lots of fresh air and fun. In case of rain, we will move inside to the gym.

Prekindergarten Items: We will be collecting gently used items that can be used in centers for our PreK classrooms. Items sought are things such as puzzles, math counting objects, dolls, dress up clothing, short shelves, learning toys, figures for imaginative play. No stuffed animals or noisy items please.

Dear Families,

It is June! Summer is approaching and so many exciting things are happening here at Rome Catholic. Check out the dates in the Calendar Reminders.

Please join us for our final mass of the year and our field days/picnic. See more information below.

Any help you can give us with the big move will be most welcome. We can't wait to be back home at Cypress Street. Please see the attached moving flyer.

It has been a wonderful year watching the students learn and grow this year. I can't believe the year is almost over. The success we have experienced would not be possible without a close parent/school partnership. It is wonderful to have such dedicated families and faculty members working together.

Congratulations to our 6th Graders who will move on to their new schools. We wish them well and will miss them.

I am looking forward to a busy and productive summer and then the return of all the bright, familiar faces and many new faces as well.

Blessings,
Mrs. Nancy E. Wilson
Principal

Honor America Days Parade:

July 27th we will have a float in the Honor America Days Parade. The theme this year is Christmas in July. We will be looking for families to walk or ride in the parade. We will send a school communication with more information this summer. If you are interested in being involved, please call the main office and we will keep a list of those interested.
