Breakfast with the Easter Bunny Cancellation

Due to an unavoidable conflict, the breakfast will not be held this year. We look forward to having it next year.

Dear Families,

As we enter the Lenten season, we reflect on the sacrifice that Jesus made for us. We encourage the students to think of one another and to make positive choices that mirror the generosity of Jesus. The choice to thank, pray, serve, fast, respect and give to others in a heartfelt manner is certainly what Jesus himself had intended. God bless your families at Lent and always.

Please be sure to read the items in the newsletter as important dates are approaching.

Mrs. Nancy E. Wilson
Principal

Spring Fundraisers

Rome Catholic School Easter Flower Sale

Our annual flower sale is here! You should receive the order forms today. I can personally say the quality of the flowers is phenomenal. They also make great spring gifts! **Orders due by March 27th.**

Gertrude Hawk Chocolates Sale

The Gertrude Hawk Chocolates Sale also begins today. Please see the flyers and brochures for details. They strongly encourage online sales for a guaranteed Easter delivery. It is fine quality chocolate. **Orders due by March 19th.**

Thank you for any participation you can give with these fundraisers. Every sale helps!

Enrollment Drawing Deadline:

For budget planning purposes we need applications for the 2019-2020 school year to be completed and submitted as soon as possible for students in grades K-6. The more students enrolled, the more accurately we can plan programs that benefit the students.

Please be sure to submit your application for enrollment by Thursday, March 14th, to be included in the drawing for the \$250.00 scholarships.

Winners will be announced Tuesday, March 19th.

New York State ELA and Math Testing

April 2-4 and May 1-3 are testing windows for the ELA and Math Tests from New York State. More information will follow as we approach those times, but I would like to strongly encourage you to let your child complete the testing. Every single piece of information that we can gather helps us to plan educational programming and goals for your child. It is like a puzzle and every piece adds to the picture of your child's progress. If you have any questions or concerns about the testing, I will be happy to discuss them.

Please do not park your car on the sidewalk or anywhere students need to walk safely to get to the building. Thank you for your cooperation.
