### Off to a Great Start!

We seem to be settling into our routine now that October has begun. This is an exciting time of year for all of us!

October is often referred to as the month of Mary. At chapel each morning we are learning more about the mysteries of the Rosary and what they each represent in the life of Mary and those close to her. We have begun with the Joyful mysteries and will continue through the Sorrowful, the Glorious, and the Mysteries of Light as the month progresses.

The 5<sup>th</sup> and 6<sup>th</sup> Grade Student Council will hold its first meeting on Tuesday, October 9<sup>th</sup>. I am looking forward to seeing what ideas these young leaders have for Rome Catholic.

Please see the dates and reminders in the column next to this note for all upcoming events.

Thank you for the outstanding efforts with the Yankee Candle Fundraiser. We will reveal our total profit at the first PTG Meeting on Tuesday, October 16<sup>th</sup>.

I am excited to announce a new part of my newsletter will be a Healthy Tips column. Mrs. Mimassi (Darin and Mitchell in Grade 1) will answer my questions and even provide healthy recipe options for our families. Look for that to be included in the next edition.

Blessings,

Mrs. Wilson
