Dear Parents,

We are talking about Thanksgiving in our class. I am asking that you work with your child on a Turkey that they will be bringing back to the class on Wednesday, November 7, to display in the hallway. Please help your child color the turkey, cut out the turkey, and paste it together, and paste it onto the sheet of construction paper that I have provided. Feel free to write the name of your child's turkey at the bottom of the construction paper. 😊

Thank you,

Ms. Edick
