Concepts:

-Letter Dd
-sorting, graphing, and counting a group of items
-Morning Message: We have a daily message that we read together and use to discuss writing concepts such as letter identification, sound correspondence, rhyming words, modeling writing

Religion

We are continuing our discussions of Lent. We talk about it as 40 days of praying and doing good things for others. We are also learning about Jesus as an adult and as a teacher. We are reading Bible stories that show us those things. We are learning that not everyone wanted to learn from Jesus and they were not always nice as we build up to Holy Week.

Reminder, Working on Independence:

As we mentioned in a previous newsletter:

We ask you to allow your child to enter the room on their own in the morning. Saying goodbye at the door of the class gives your child the chance to build independence and self help skills and gives them time to interact with their peers.

We thank you for your cooperation.
