Valentine Class Party

Due to Valentine's Day falling on Ash Wednesday and our trip to St. Paul's for mass, we will have our class party on **February 13th, 9:30-10:30.** We will have a short presentation of poems and songs and will then complete a math activity with our guest. Following our math activity we will build our own ice cream sundae. (Yes, ice cream before lunch, but it is Fat Tuesday!!! It is the last hurrah before Lent begins.) Throughout the party we will call students and parents a few at a time to sort your child's valentines into their classmates' bag by matching the names.

Please see the attached sheet for party RSVP and item to contribute to the party. We look forward to seeing everyone.
