Back to School Night

Thank you to all who were able to attend our Back to School Night. Everyone could feel the excitement that comes with the new school year all throughout the building.

Handouts from Back to School Night will be sent home with this newsletter for those who did not get them. They include our PTG fundraising opportunities as well as information about our Running Club, Art Club, and a newly formed Catholic Schools Association of Rome.

RUN@School

What a gorgeous day God gave to us last Friday for our RUN@School event. We had many parents join us on our run/walk along the Mohawk River Trail. What a great kick-off for our Running Club.

Virtus training class Safe Environment

If you are interested in going on a field trip and or volunteering in school, you must be Virtus trained. We are holding a class here at Rome Catholic this Thursday at 6:00 pm. Please go to our website and you will find information to sign up under the "About Us" tab.

Technology

We have plans in the works for a STEAM program here at RCS.

Science
Technology
Engineering
Arts
Mathematics

We have been collaborating with Andy Drozd from ANDRO as well as Bill Wolf from the Air Force Research Lab.

Stay tuned for some very exciting programs to come!
